

## ***Louisiana Shrimp Trade Adjustment Assistance Program***

# ***Application Information***

**In order to request a payment for 2003, you must:**

### **April 11, 2005:**

Final Date to:

- File an application (Form FSA-229). (You must know your share, in pounds, of shrimp marketed in Louisiana in the 2003 calendar year.)
- Provide marketing records, such as ship manifest, packers invoice or statement of shrimp catch, for shrimp marketed in Louisiana in calendar year 2003.
- Copy of government issued picture ID or driver's license.
- If not a United States citizen, provide a copy of a valid Alien Registration Receipt card.

### **July 11, 2005:**

- Final date to obtain technical assistance from LSU Extension Service.

### **September 30, 2005:**

Final Date to:

- Provide income tax records for 2002 and 2003 to substantiate that net income in 2003 was less than 2002. (If 2003 net income is more than 2002 net income, you would not be eligible for a TAA payment.)
- Provide a copy of the "Technical Assistance Certification Form" received from the LSU Extension Service.
- Complete Form SF-1199A with direct deposit information (voided check required) or Form FFAS-12 for a hardship waiver of the direct deposit requirement.
- Complete Form CCC-502 to determine "persons" involved.
- Complete Form AD-1026 to certify compliance with Wetland Conservation and Highly Erodible Land Conservation.
- Complete Form CCC-526 to certify that 3 year average Adjusted Gross Income is less than \$2.5 million.
